MONTECO S.R.L.

Via delle Rovedine, 48 – 23899 Robbiate (LC)

Production site: Via delle Rovedine, 48 – 23899 Robbiate (LC)

certifies that the Company's Factory Production Control System has been established and applied by the Manufacturer, the product is subjected by the Manufacturer to factory production control, and further tests or samples taken in the Factory are in accordance with the test plan. The Notified Body **Q-AID Assessment & Certification Srl** has carried out the Initial Inspection of the Factory and the Production Control System and carries out continuous surveillance, evaluation, and approval of factory production control. This certificate attests that all the requirements described in Annex ZA of the harmonized standards mentioned in the Certificate are applied and that the product meets all the minimum performance requirements described. This document allows the manufacturer to affix the CE marking. This certificate remains valid until the conditions established in the technical specifications referred to or the production conditions in the factory or the factory production control itself are significantly modified.

This Certificate remains valid (unless canceled, suspended, or withdrawn by Q-AID Assessment & Certification S.r.l.) under the conditions indicated in the Regulation for the certification of conformity according to Reg. (EU) n. 305/2011 (QPRD-REG_QAID-CE)

The validity of this certificate is subjected to the presence of the seals proving the positive outcome of the inspections by the scheduled date.
